Packing Information

- You will be issued a backpack/duffle bag by Nehemiah Teams to use as your checked piece of luggage. The size of the bag is 4300 cubic inches or 70 liters. The cost for using this bag is included in your field expense. Upon arrival at orientation, you will re-pack your belongings for the summer into this bag. There will be a place to store your original pack plus any extra items you choose to leave behind for the summer. If you can't get it all in that... then you've got too much! You will be able to wash almost every day (you will be washing by hand).
- If you are required to bring specific equipment or asked to bring personal items for supervisor, these can be packed in a 2nd piece of checked luggage. Good idea to pack these as a team after arriving at orientation.

Orientation/Debrief Items:

- All teams will need personal eating utensils for orientation/debrief: plate, bowl, cup, silverware
- All teams will need bedding during orientation/debrief: self-inflating sleeping pad, sheet, small pillow
- All teams will be bathing outdoors during orientation/debrief. All will need dark colored shorts & shirts to wear while bathing.

If these items aren't needed on the field there will be a place for you to store them over the summer, ready for you when you return for debrief.
