## **Packing information:**

- You will be issued a backpack/duffle bag by Nehemiah Teams to use as your checked piece of luggage. The size of the bag is 4300 cubic inches or 70 liters. The cost for using this bag is included in your field expense. You will get the bag upon arrival at orientation and re-pack your belongings for the summer. There will be room to store your personal bag & any extra items you choose to leave behind during the summer. If you can't get it all in that... then you've got too much! You should be able to wash almost every day.
- You can buy additional personal hygiene items here to lighten your load in packing: shampoo, soap, toothpaste, etc
- If you are required to bring specific equipment or asked to bring personal items for supervisor, these can be packed in a 2nd piece of checked luggage. Good idea to pack these as a team after arriving at orientation.

## **General guidelines for clothing:**

- Team members will wear work clothes most of the time for chores and projects around the farm or on village extension trips
- Pants/dresses & clean shirts during ministry time.
- Sleeveless shirts are not permitted for guys or girls. (This includes tank tops)
- No military-type clothing or accessories.
- If you not sure if something would be appropriate please ask your local supervisor before coming or just chose to leave it at home.

## **Orientation/debrief items**

- All teams will need personal eating utensils for orientation/debrief: plate, bowl, cup, silverware
- All teams will need bedding during orientation/debrief: self-inflating sleeping pad, sheet, small pillow
- All teams will be bathing outdoors during orientation/debrief. All will need dark colored shorts & shirts to wear while bathing.

If these items aren't needed on the field there will be a place for you to store them over the summer, ready for you when you return for debrief.
