Clothing for Women	Ankle length, loose fitting skirts (think maxi dress), t-shirts/short sleeved shirts need to come to mid-bicep and not be form fitting; two pairs of light weight work/hiking/travel pants for heavy/dirty work. Jeans, if desired. Long sleeved shirts, also loose fitting. These clothes are optional with the understanding they can ONLY be worn inside your room: shorts, capris, tank tops, work out clothes.
Other clothing	Undergarments, sleep wear, socks, light weight jacket, hoodie, Sun hat/baseball cap.
Shoes	Chacos are great for the terrain here. Hiking shoes, tennis shoes, etc. The weather is warm most of the time but you'll be in dusty places. Suggesting a closed toed pair and open toed pair. Flip flops for around your living area.
Toiletries	Bring enough prescription medicine for your entire stay (bringing extra never a bad idea). Sun screen (everything else is available here, just not in brands you know)
Documents	6 passport sized photos. Passport. A few passport copies. Driver's license, student ID etc.
Books, etc.	Bible, SPIRITUAL WARFARE book, a small photo album of family and friends or just on your phone.
Other	A backpack as a carry on and for daily use. Outlet adapters (universal/international). Sturdy water bottle. List of important phone numbers and contact information. \$70 USD (EXACT CHANGE) for three month tourist visa at the airport. ATM card. Any small games you enjoy playing.
Orientation & Debrief Items	<ul style="list-style-type: none"> • All teams will need personal eating utensils for orientation/debrief: plate, bowl, cup, silverware • All teams will need bedding during orientation/debrief: self-inflating sleeping pad, sheet, small pillow • All teams will be bathing outdoors during orientation/debrief. All will need dark colored shorts & shirts to wear while bathing. <p>If these items aren't needed on the field there will be a place for you to store them over the summer, ready for you when you return for debrief.</p>
Luggage	<p>You will be issued a backpack/duffle bag by Nehemiah Teams to use as your checked piece of luggage. The size of the bag is 4300 cubic inches or 70 liters. The cost for using this bag is included in your field expense. Upon arrival at orientation, you will repack your belongings for the summer into this bag. There will be a place to store your original bag plus any extra items you choose to leave behind for the summer. If you can't get it all in that... then you've got too much!</p> <p>If you are required to bring specific equipment or asked by supervisor to bring them personal items, these can be packed in a 2nd piece of checked luggage. Good idea to pack these as a team after arriving at orientation.</p>
