

Nehemiah Teams 2018 Tourist on Mission Team

nehemiah teams

The main thing is to be modest and comfortable. It will be hot and very humid, like an AL summer, so dark colors will attract more heat, of course, since we are closer to the equator. Darker colored pants are best as to not show dirt. Keep in mind that Sumatra is tropical, it tends to rain often, and heavily, so expect you and your things to get wet.

For everyone

- Bug repellent. Bug repellent is hard to find here, but very useful.
- Sun screen. Very hard to find and expensive when available, but very useful.
- If there's room, bring small gifts representative of America to share among those you spend the most time with. If you don't have space, no problem.

What NOT to Bring:

- Anything that plugs in that is not 110-220v. Anything else will not work.
- Any heavy clothing. You won't want to wear it and it will take up space.
- Your whole bathroom. Girls- keep in mind most of your plug-ins won't work. Hair dryers, nope. Curling irons, probably not. If you are in a place where you can use these things, then you can probably borrow from someone.
- Your whole closet. You will be in a culture where it is normal to wear the same shirt twice or more in one week. **Also, you can buy clothes here, so save some room and plan on shopping a bit as you go.**
- Anything that you could not "live" without if it was stolen or lost.

If you happen to forget something, don't sweat it. You can either find a substitute or you will learn that you can live without it!

Orientation/debrief items:

- All teams will need personal eating utensils for orientation/debrief: plate, bowl, cup, silverware
- All teams will need bedding during orientation/debrief: self-inflating sleeping pad, sheet, small pillow
- All teams will be bathing outdoors during orientation/debrief. All will need dark colored shorts & shirts to wear while bathing.

If these items aren't needed on the field there will be a place for you to store them over the summer, ready for you when you return for debrief.

Packing information:

- You will be issued a backpack/duffle bag by Nehemiah Teams to use as your checked piece of luggage. The size of the bag is 4300 cubic inches or 70 liters. The cost for using this bag is included in your field expense. Upon arrival at orientation, you will re-pack your belongings for the summer into this bag. There will be a place to store your original pack plus any extra items you choose to leave behind for the summer. If you can't get it all in that... then you've got too much!
