Foodstuff:

- We would also suggest bringing some of your favorite breakfast and/or snack items: granola bars, cereal bars, etc. Most foods are available here, including an abundance of fresh fruits and veggies. There is not much junk food, other than chips (called “crisps” here), cookies (called “biscuits” here), etc.
- If you have specific questions about available foods, just ask.

Orientation/debrief items:

- All teams will need personal eating utensils for orientation/debrief: plate, bowl, cup, silverware
- All teams will need bedding during orientation/debrief: self-inflating sleeping pad, sheet, small pillow
- All teams will be bathing outdoors during orientation/debrief. All will need dark colored shorts & shirts to wear while bathing.

If these items aren't needed on the field there will be a place for you to store them over the summer, ready for you when you return for debrief.

Packing information:

- You will be issued a backpack/duffle bag by Nehemiah Teams to use as your checked piece of luggage. The size of the bag is 4300 cubic inches or 70 liters. The cost for using this bag is included in your field expense. Upon arrival at orientation, you will re-pack your belongings for the summer into this bag. There will be a place to store your original pack plus any extra items you choose to leave behind for the summer. If you can't get it all in that... then you've got too much! You should be able to do laundry when needed on the field
- If you want to lighten your load in packing, you can buy personal hygiene items after you arrive: shampoo, soap, toothpaste, etc., however they are expensive here.
- If you are asked by your field supervisor to bring equipment or personal items for them, these can be packed in a 2nd piece of checked luggage. Good idea to pack this as a team once you arrive at orientation.

General guidelines for clothing:

- Team members will wear long pants (guys)/skirts (girls) & clean shirts during church-related ministry time.
- Sleeveless shirts are not permitted. (This includes tank tops, spaghetti straps, etc., unless worn underneath a top with sleeves.)
- Modest (knee length) shorts are permitted to be worn around the house and on day off.
- Shorts should reach the knee when standing. No "Sofee" shorts or running shorts. Skirts should reach below the knee.
- No shirts that are tight fitting or expose the midriff.
- Absolutely no military-type clothing or accessories. It is illegal here to wear "camo" type clothing unless you are in the military.
- The general guideline for girls is modesty. Nothing tight fitting, especially no skinny jeans. You will see girls in town dressed in tight jeans, short skirts, etc. This does NOT mean it will be acceptable for you to dress this way while you are here.
