Packing information:

The cost for using this bag is included in your field expense. You will get the bag upon arrival at orientation and re-pack your belongings for the summer. There will be space to store your personal bag & any extra items you choose to leave behind during the summer. If you can't get it all in that... then you've got too much! You will be able to wash almost every day.
- You can buy additional personal hygiene items here to lighten your load in packing: shampoo, soap, toothpaste, sunscreen, insect repellent, etc.
- If you are asked by your field supervisor to bring equipment or personal items for them, these can be packed in a 2nd piece of checked luggage. Good idea to pack this as a team once you arrive at orientation.
