

NT 4 TEENS: PHILIPPINES

📍 Camiguin Island, Philippines | JUN 1 - JUN 16

The Philippine tourism slogan is “It’s more fun in the Philippines,” so even while you work, you will have fun getting to know the Filipinos of Camiguin Island! This beautiful island with its hospitable people is a common tourist destination, but few are going there to share the gospel. Most on this island are very religious but are still not sure of their salvation. As a team, you will spend time in villages, learning about culture, sharing your lives & sharing the gospel through testimonies, drama, sports & music.

The Philippines is still a harvest field so come help us harvest on Camiguin Island! The Philippines is also becoming a harvest force. Through your ministry, you will help encourage the local churches in making disciples and becoming better senders. Your team will spend off days swimming at a local beach, in a natural cold spring, underneath a 160’ waterfall, or hiking to the top of Hibok-Hibok mountain, which is still an active volcano!
